

## Replacement LED Bulb for Kitchen Recessed Cans

Kitchen Recessed Can	Halogen – Typical	LED – Better!
		

Hyperikon PAR20 Dimmable LED Bulb  
8W (50W equivalent), 3000K (Soft White Glow), CRI90+, Flood Light Bulb

This LED bulb uses *far less* electricity and makes comparable light to a typical halogen bulb used in Alicante kitchen recessed cans. This LED bulb does not require re-wiring the recessed fixture. Simply replace the current bulb with this LED bulb. At the time of the bulletin's writing, a 4-pack of these bulbs was ~ \$23 from Amazon ([https://www.amazon.com/gp/product/B00RMJZV6K/ref=oh\\_aui\\_detailpage\\_o06\\_s00?ie=UTF8&psc=1](https://www.amazon.com/gp/product/B00RMJZV6K/ref=oh_aui_detailpage_o06_s00?ie=UTF8&psc=1)). These bulbs are also available from other vendors.
