# Alicante

classic, comfortable, modern  
in Bankers Hill

All water used by Alicante's condos and common areas is measured with a single meter, and paid in one bill. That bill is one of the Association's largest budget items: approximately \$50,000/yr. By saving water, WaterSense showerheads benefit you and the Association!

To encourage water savings, Southern California water authorities are running rebate programs. At the time of this bulletin's writing, there was none for showerheads. However, that may change! Check here: <http://socalwatersmart.com/index.php/home/?p=res>

Look for WaterSense showerheads at stores like Lowes, Home Depot, etc.

If you are uncertain about changing a showerhead, please contact a plumber. We recommend using qualified plumbers familiar with the unique high-rise plumbing systems at Alicante. You may want to use one of the following:

- Ben Smith Plumbing: 619-504-8604 or [bensmithplumbing.com](http://bensmithplumbing.com)
- Blue Planet Drains & Plumbing: 619-863-9593 or [plumbersinsandiego.com](http://plumbersinsandiego.com)
